

COSC 455 Homework
Display Intensities and Color Channels

1. Using the accompany image, replicate figure 2.4 in the textbook (page 58-59) and plot them on a single figure. Label the figure with your name and a title. See example plot below.

2. Using the Iris image, create a plot showing each color channel as a separate plot, e.g. Original, Red-Channel, Green-Channel and Blue-Channel. Label the figure. An example is shown below.
